

## CHANGING BLOODLINES

Every human being has a natural human lineage that eventually goes all the way back to Adam and Eve. When Moses received the Law from God on Mount Sinai one of the things He said tells us how Satan is able to operate down through the generations of a person's lineage or bloodline.

***Numbers 14:18 “The Lord is long-suffering and slow to anger, and abundant in mercy and lovingkindness, forgiving iniquity and transgression; but He will by no means clear the guilty, visiting the iniquity of the fathers upon the children, upon the third and fourth generation.”***

Because God spoke this out in His Word, it is set as a spiritual law and as such, Satan can legally use it today against people. People are mired in all kinds of bad situations that they don't know how to get out of or even how they got there. Little do they realize that the enemy has been working in their generational bloodline for a very long time.

Before Jesus Christ came, lived a spotless, sinless life in word, thought or deed, people were paying for what their ancestors did. That is why during Jesus' earthly ministry, He was ALWAYS casting out devils! He did that more than anything else. Because the ancestors of the Jews were idolaters. They sacrificed their children to demon gods, they worshipped and did all kinds of occult rituals. These activities gave Satan legal right to torment their children, grandchildren and their children's children.

Here is an example of how these evils spirits can follow a bloodline. Say a man gets hooked on alcohol and drugs. The abuse of alcohol and drugs is a part of sorcery in the occult. That is the iniquity—the sin. That is the door that Satan has to start working in this man's life and in the lives of the subsequent generations after him. So he dies and the evil spirit has to find another person in the bloodline to use, so he latches on to his son(s). They become alcoholics and drug addicts too. So now because the next generation has done the same sin, the legal right to work in this bloodline is extended to the next generation down the line. If the grandchildren become addicts, then the curse is extended yet another generation and so on. This is why you see such tendencies in families for generations. You've heard the expression “that whole family is like that.” Well, there is a reason they are all like that!

Now suppose one of the sons of that man met Jesus Christ and started following Him? The moment he accepted Jesus Christ, he can renounce or put aside his biological lineage and embrace the bloodline and lineage of Jesus Christ. He does this by faith. What this does is it eliminates Satan's legal ground to work in that bloodline! The blood of Jesus is that powerful! It can wipe away

all your ancestor's transgressions from affecting YOUR life any further. Once that son exchanges his bloodline for the bloodline of Jesus Christ, his children and his children's children have a much stronger chance to have a great life without the torment of addictions.

The Bloodline of Jesus is divine. It is the bloodline of the Father God. It is without sin. Satan cannot touch it. The blood of Jesus totally and completely defeated Satan after Jesus died and was resurrected. Jesus said "Satan has nothing in Me." And he doesn't. When you take on His bloodline, Satan legally has nothing in you either!

Be aware of this: Satan is NOT going to just let go. He is going to try and convince you that you were not set free. It's a lie. You have to tell him—you are a liar Satan! I am set free! Stand your ground. We, as Christians, have to enforce what Jesus purchased on the Cross. It is a spiritual war of the highest order and one that has eternal consequences.

The only requirement you MUST have before you exchange bloodlines is that you must be born-again. If you are not saved or are back-slidden, you need to pray the repentance prayer and mean it in your heart. Repent and let Him wash away your sins. Once that is done, then you are in the Kingdom of God, in the family of God and Jesus is preparing a place for YOU with Him forever! You are now in a "covenant" relationship with the God of the universe. This means that your enemies are His enemies and His enemies are your enemies. Your pains and hurts are His and His healing power and deliverance is YOURS.

Before you change bloodlines, go through the repentance prayers and recommit your life to Jesus. Your life is about to do a hundred and eighty-degree about-face and you are going to have the time of your life...for the rest of your life!
